The Victorian Government is committed to ensuring that Victorians have access to appropriate and relevant VET services. Any personal information collected by the Department for VET purposes is protected in accordance with the Privacy and Data Protection Act 2014 (Vic) and the Health Records Act 2001 (Vic).

Collection of your data

ACFB is required to provide the Department with student and training activity data. This includes personal information collected in the ACFB enrolment form and unique identifiers such as the Victorian Student Number (VSN) and the Commonwealth's Unique Student Identifier (USI). ACFB provides data to the Department in accordance with the Victorian VET Student Statistical Collection Guidelines, available at <http://www.education.vic.gov.au/training/providers/rto/Pages/datacollection.aspx>.

The Department uses student and training data, including personal information, for a range of VET purposes including administration, monitoring and planning, including interaction between the Department and Student where appropriate. The data may also be subjected to data analytics, which seek to determine the likelihood of certain events occurring (such as program or subject completion), which may be relevant to the services provided to the student.

A student's USI may be used for specific VET purposes including the verification of student data provided by ACFB; the administration and audit of VET providers and programs; education-related policy and research purposes; and to assist in determining eligibility for training subsidies.

Disclosure of your data

As necessary and where lawful, the Department may disclose VET data, including personal information, to its contractors, other government agencies, professional bodies and/or other organisations for VET-related purposes. You may be contacted to participate in a survey conducted by NCVER or a Department-endorsed project, student outcome survey, audit or review relating to your training. This provides valuable feedback on the delivery of VET programs in Victoria. Please note you may opt out of the NCVER survey at the time of being contacted.
